Manufacturer's Declaration according to Directive 2012/19/EU ("Waste Electrical and Electronic Equipment")

The energy chains and accessories distributed by EKD Systems do not fall within the scope of this directive, neither under Annex I, II, nor III.

Furthermore, the energy chains distributed by EKD Systems do not contain substances listed in Annex VIII of this directive.

The complete systems distributed by EKD Systems may include electrical cables which are subject to separate consideration under Directive 2012/19/EU.
