CRIMPSET

# Versatile HELUTOOL Crimpset 5 in 1

High-quality crimping tool with 5 inserts for insulated and uninsulated connections.

## Advantages:

- Always the right tool at hand
- Fast and easy changing of the inserts with a quick release fastener – no additional tools needed!
- Locking mechanism with release
- 2-component hand grip
- High-quality plastic case with foam inlay for storage
- Wire end ferrule crimping profile is designed for fine-wired and compact conductors
- Easy handling through optimised pressing contour
- Length: 250 mm; weight: 590 g
- Crimpset 5 in 1 is currently being assembled exclusively for HELUKABEL
- Suitable for both left and right-handed people
- Easy handling even on large cross sections

## Uses:

- Crimping insert for insulated cable lugs 0.5 - 6 mm<sup>2</sup>
- Crimping insert for uninsulated cable lugs 0.5 - 10 mm<sup>2</sup>
- Crimping insert for uninsulated female push-on terminal 0.5 - 2.5 mm<sup>2</sup>; tab width 4.8 mm & 6.3 mm
- Crimping insert for wire end ferrules 0.25 - 16 mm<sup>2</sup> (also for fine-wired and compact conductors)
- Crimping insert for wire end ferrules 25 - 50 mm<sup>2</sup> (also for fine-wired and compact conductors)
