PROFINET

Series	Art. no.	Sheath	Application	UL	By the metre *pictured here
PROFINET A Fixed Installation	800653	PVC green	Standard application	CMG / PLTC / AWM 600V	805653*  
	801194	PUR green	Robust construction		
	805653*	FRNC green	Halogen free & flame retardant	CMG / PLTC / AWM 600V	
	801195	PUR green	High-radiation environments		
PROFINET B Flexible Installation	800654	PVC green	Standard flexibility	CMG / PLTC / AWM 600V	805654*  
	805654*	FRNC green	Halogen free & flame retardant	CMG / PLTC / AWM 600V	
	802185	FRNC green	Marine & shipping applications	CM / PLTC	
	803295	PVC green	Festoon applications	CMG / PLTC / AWM 600V	
PROFINET C Highly Dynamic	800655*	PUR green	Drag chain applications	CMX	800655*  
	802914	PVC green	Drag chain applications	CMG / PLTC / AWM 600V	

In need of PROFINET R robotics cables? Contact us about article no. 11007800

PROFIBUS SK

Series	Art. no.	Sheath	Application	UL	By the metre *pictured here
Fixed Installation	81903	PVC violet	Standard application	CMG / AWM 600V	81904*  
	81904*	PE black	Outdoor applications		
	81501	FRNC violet	Halogen free & flame retardant	CM	
	81905	PUR violet	Robust construction	AWM 30V	
Flexible Installation	805656	PVC violet	Standard flexibility	CMG	805657*  
	805657*	FRNC violet	Halogen free & flame retardant		
Drag chain ready	801659	PUR violet	Drag chain applications	CMX	81906*  
	81906*	PUR petrol	Drag chain applications	CMX	

In need of torsion-resistant PROFIBUS cables? Contact us about article no. 800109

PATCH CABLE HELUKAT® CONNECTING SYSTEMS INDUSTRY

Do you prefer plug & play?

Complete assemblies with moulded plugs can be found online in our flyer INDUSTRIAL ETHERNET on pages 4-7. Simply scan the QR code to download or view the flyer online.
